Library Levy

In the past, the annual practising certificate fee included a library levy. This is no longer the case because Regulation 11 of the *Legal Profession Regulations* 2008 deals exclusively with practising certificate fees. However, the Regulations have been amended to include a new Regulation 70 which provides for the payment of a library levy by all local legal practitioners, that is, practitioners who have a Tasmanian practising certificate. The annual library levy fee is \$625.60 (inclusive of GST).

Law Council of Australia Capitation Fees

The 2010/2011 capitation fee is \$114.74 per practitioner (inclusive of GST).
