Barrister Fees for 2010/2011

Annual Practising Certificate Fee:

\$393.00, for the period 1 July 2010 to 30 June 2011.

No GST is payable on practising certificates.

Library Levy

In the past, the annual practising certificate fee included a library levy. This is no longer the case because Regulation 11 of the *Legal Profession Regulations 2008* deals exclusively with practising certificate fees. However, the Regulations have been amended to include a new Regulation 70 which provides for the payment of a library levy by all local legal practitioners, that is, practitioners who have a Tasmanian practising certificate, including barristers. The annual library levy fee is \$625.60 (inclusive of GST)

Law Council of Australia Capitation Fees

The Society has agreed to collect Law Council of Australia capitation fees from Tasmanian barristers at the request of the Tasmanian Independent Bar. The 2010/2011 capitation fee is \$134.59 per practitioner (inclusive of GST).

Professional Indemnity Insurance

Barristers are welcome to arrange their insurance through the Society's professional indemnity insurance scheme. Further information is available from Graham Vasileff at Gallagher Broking Service on 08 – 8309 3060. Premium funding is available through Westpac Premium Funding.
